Your Honor: Thank you for allowing me this chance to speak and address the COURT. It is my hope, that you allow me Bail (O.R) to continue my Sobriety in a program. I have completed the D.E.U.C.E. (Deciding - Educating - Understanding - Counseling - Evaluation) Program and been sober for about 7 months now. I do recognize that I have a drug problem, which I was in Denial the last time I was out, where as I ran from support, I now long for and truly understand the importance of. It is my promise that allowed a chance I will not detour the wrong direction, But continue the path in light that I now grace the COURT.

Your Honor, I ask for your help not in my freedom but in my recovery to becoming a successful citizen during and after my court affairs are over. I will break the cycle, and change for the better. Please your honor, do not annihilate me - from my prior mistake of relapse, and allow me the chance to further my recovery. I do have the courage to move beyond the negatives of my past and into the powerful positives of my future. Sincerely Michael Young
